**Auctioneers Note:** This cumulative effort will bring together some really nice equipment, vehicles, and shop items for our buyers to bid on. Offered at the right time of year, many of the items will allow buyers to head right to the field with their purchases. Buyers can participate in bidding on-line through HiBid prior to the auction and there will be both live and on-line bidding on sale day. We appreciate a bank letter of credit on purchases that exceed \$10,000. We will save Thursday, April 18<sup>th</sup> for a backup date in case of inclement weather. Sale day announcements will take precedence over all announcements either written or implied. Lunch will be available at the sale site. Not responsible for accidents. Terms & conditions will include cash, good check, or credit card. There will be loader on-site for the week following the auction.
