**Saturday, May 3<sup>rd</sup> – Starting @ 9AM**

**1800 South Greeley Highway Cheyenne WY**

**Auctioneer's note:** After 88 years in the business at this same location, Rich is closing the doors & selling out. All of the remaining units from his inventory will be offered at auction along with the accumulation that comes with being in the same location for that long. Plan to come and spend the day bidding on not only what you see on this listing along with much more. The volume of this auction will require 2 rings for a portion of the day. A bank letter of credit or proof of secured funds will be required before any purchases that exceed \$10,000 can leave the premises. Sale day announcements will take precedence over all announcements either written or implied. Lunch will be available at the sale site. Not responsible for accidents. Terms & conditions will include cash, good check, or credit card. **Sam's Auto Sales continues to do business as usual & all vehicles and trailers will continue to be available for sale until they are sold at auction.
